Family member of
HONEYCOMB
HOUSES

Quite simply, we're a family-run institution born-and-bred from our parent company, Brakspear, which came to life all the way back in 1779.

We're not a chain. All of our Houses sit as they should, nestled in the towns and villages that surround them, each with their own personality, yet with similar traits that simply run in the family.

Here at Honeycomb Houses we are more than a collection of pubs and inns; we are a family with people at its heart.

Our philosophy is simple.

It's our House, Your Home...

We treat our colleagues like family, guests as friends & the pubs like homes.
